

CREATIVITY

SIMPLICITY

RELIABILITY

PROFESSIONALISM

*"Value exists in the quality of good design
not in the quantity of poor design."*

Lyon Graphic Design offers quality, creativity, reliability and professionalism. Real world clients have to feel they can trust in your abilities and count on your reliability. You have to be able to meet expectations, inspiring confidence and demonstrating dedication to your work and to your client.

appetizers

business cards

cards for the individual to medium sized business. Unique designs that help your business stand out.

business stationary

letterhead and envelopes designed using your logo with every correspondence.

appetizers

mailers, flyers, postcards

professional and unique ideas for direct mail programs like local money mailers, and coupons.

advertisements

ads designed to attract your clients attention using newspaper, magazines and online services like facebook.

entrees

logo design

designs of distinction, clarity and purpose. Creating an identity that is used consistently throughout your business materials and web site.

web site design

your web site may be the initial contact a client has with your business, so offer them a lasting and worthwhile experience. Our service helps you build that trust through creative and unique designs, taking the time to get to know your needs. Services include site updates, SEO, helping you choose a hosting company, and server uploads of your new files.

entrees

photography & illustration

photography to enhance your web site, illustrations for signage, screen-printing, embroidery, brochures and other multimedia needs.

video presentations

creating memories from still photos and digital video. Living portraits of family, children, weddings, anniversaries and vacations created with creativity and style. Your finished video plays just like a retail movie DVD with navigation menus and chapters. Captured to DVD for generations to enjoy.
